

**Form ANR-SY-04- Appendix A****FEE SCHEDULE****Application for a Salvage Yard Certificate of registration  
(Original Application or Renewal)**

**The NEW annual fee schedule descriptions for a 2010-2011 Salvage Yard Certificate of Registration are as described below:**

**1. \$1250.00- Facilities which crush or shred motor vehicles**

This fee amount applies to all salvage yard operations seeking a Certificate of Registration for operations which accept motor vehicles AND will be crushing the motor vehicles or motor vehicle parts at any time (even once) on-site during the July 1, 2010-June 3, 2011 operational year.

**2. \$750.00 - Facilities which accept or dismantle junk motor vehicles (no crushing or shredding)**

This fee amount applies to all salvage yard operations seeking a Certificate of Registration for operations which accept motor vehicles, BUT WILL NOT be crushing the motor vehicles or motor vehicle parts at any time (even once) on-site during the July 1, 2010-June 3, 2011 operational year. Should you decide you need to crush, after having only paid this fee, you may not crush until you have submitted a check or money order in the amount of \$500.00 to the Vermont DEC Salvage Yard Program together with an amended application form.

**3. \$350.00 - Facilities that manage junk excluding motor vehicles**

This fee amount applies to all salvage yard operations seeking a Certificate of Registration for operations which accept NO motor vehicles AND will only be crushing or compacting metals not containing motor vehicle parts on-site during the July 1, 2010-June 3, 2011 operational year.

**4. \$300.00 - Facilities which primarily handle total-loss vehicles from insurance companies**

This fee amount applies to all salvage yard operations seeking a Certificate of Registration for operations which conduct business, the primary activity of which is the handling of total loss vehicles from insurance companies for resale and no other salvaging activities occur at the salvage yard site. No crushing or compacting is allowed at this type of salvage yard and vehicles may not be parted out, but must be hauled off in the same intact form as they were received.

**Make check or money order payable to “Vermont Department of Environmental Conservation”.**
